Welcome to our community of African Mobility Scholars.

Welcome to our newsletter! We are thrilled to share with you the latest developments in our mission to make a positive impact in our community.

Firstly, we would like to express our gratitude to all of our members, partners, donors and volunteers who have continued to support us. Your generosity and dedication have allowed us to keep our programs running smoothly and effectively.

In terms of our recent activities, we are officially launching our association on the **24th July, 2024**. This event is a fun and interactive way to support our cause while also enjoying great food, drinks, and entertainment. We hope to see you there!

We are also launching our newsletter to disseminate information about AMSA activities.

This is also a way to stimulate healthy discourse on mobility issues on the African continent and beyond.

We are also excited to announce that we will be launching our new website too.

Finally, we want to remind everyone that our association relies on the kindness and support of our community. If you are able to donate your time or resources, please do not hesitate to reach out to us.

Together, we can make a real difference. Thank you for your continued support!

Enjoy this month's newsletter!
